

AFOMP ويبينار

Registrations are open for the next AFOMP monthly webinar on 04 March 2021.

Confirm your seats for this scientific pleasure.

This time it's not just a scientific event but it will grab you Credit points and an attendance certificate as well.

Title: An overview of targeted beta and alpha therapies

Speaker: Dr. Eva Bezak

Moderator: Dr. Hajime Monzen

It's a pleasure to inform you that AFOMP webinars are accredited and each webinar attendance will fetch you 02 credit points. On request, AFOMP will issue a certificate of attendance and CME points.

You can register through the link below.
